

Model: S

Typical Range: 10 to 100kW
Typical Size: 5'h-3.5'w-15"d

SEMS Standard	Integrated Configuration
Protection	Utility Grade Multi-function Relay
Enclosure	NEMA-12 Environmental Rating
Voltage	480 volt - 3 phase
Meter	Full range power unit
Reports	Limited Data Storage
Certification	UL508 labeled

Optional Features
Program Logic Controller with full Programming
SCADA Compatible
Flat Panel Interactive Touch Screen Display
Real-time Pressure/Flow Control Management
NEMA Panel rating up to 4X
Single Phase Generator
600 volt 3 phase
Multiple Hydraulic Operations
